

The Clients Speak

"Coaching helped me find a husband! My goal: a romantic miracle--to become engaged within 10 bi-weekly sessions. I was in my 40s, divorced, with no prospects. Cary gave me affirmations and visualizations and had me throw an engagement party even though I had no boyfriend! Within weeks I attracted a man with whom I soon fell in love. Shortly before the last session, he proposed. We've been happily married for many years."

--R.H., Former Educator, Slingerlands, NY

"I net \$280K a year, more than 25 times greater than when I first worked with Cary." --Rich Hill, President, Gabriel Consulting Services, Chicago, IL

"Talk about breakthroughs...when I began working with Cary I felt like Willie Loman in Death of a Salesman. Now I've become a very prosperous salesperson and businessman, owning my own company. My income is more than 10 times what it was when we began. Then, I'd pull up to a new account to cold call and I'd be so anxious I'd need to drive away to get a cup of coffee to regroup; now I speak to groups of up to 800 without a second thought."-- George Basen, Owner, Ultimate Discount Card, New Paltz, NY

"Cary's work healed my terrible fear of public speaking. During my second session, I felt fear leave--a truly amazing blessing, since the next week I pitched my soap opera at the NATPE TV convention to five TV station presidents and one thousand others. Cary's work breaks through to your higher power."

--Maritza Guimet, Creator, *The Prince of Peace* Soap Opera, Bay Harbor, FL

"Cary Bayer is more than just a life coach. By helping others achieve their personal success stories, he's the Wizard of Aha's."

--Brian Hedberg, Editor, Ft. Lauderdale, FL
